17 Covert St., Brooklyn, NY • Phone: (304)421-0861 • E-Mail: [brentlbailey@gmail.com](mailto:brentlbailey@gmail.com) • Website: [brentlbailey.com](http://brentlbailey.com)

## Experience

Front-End Developer (contract)- The Meal Plan December 2015 - March 2016

- Built JavaScript, CSS, and Liquid frontend for Shopify backend in two weeks, followed by a successful soft launch of the site.
- Set up Shopify store, built webhooks using Node.js and Express, used Photoshop to create and optimize image assets, built e-mail templates, and generally oversaw the technological side of establishing an on-demand meal delivery site.

Software Engineering Intern - Culture Foundry August 2015 - September 2015

- Built an MVP of an iOS app for [www.thelinediet.com](http://www.thelinediet.com) in Swift in two weeks.
- Adapted [www.harlowscasino.com](http://www.harlowscasino.com) for mobile using HTML, CSS, and JavaScript, also pending release.
- Contributed to the development of [www.edgemusic.com](http://www.edgemusic.com), [www.culturefoundry.com](http://www.culturefoundry.com), and numerous other projects using AngularJS, ModX, HTML/CSS, and Ruby on Rails.

Cellar Hand - Wine By Joe/Dobbes Family Estate September 2014 - December 2014

- Spent the 2014 harvest season working with wine at every stage of the winemaking process from grape to bottle. Helped process over 3,000 tons of grapes, producing labels for Dobbes as well as custom wines.

Customer Development Coordinator - Weathergram, Inc. August 2013- August 2014

- Worked on client development and product customization for Switchboard ([www.switchboardhq.com](http://www.switchboardhq.com)), a community connector.

Student Union Manager - Reed College February 2012- May 2014

- Managed the main student event space on Reed campus.

Intern - Office of Senator Joe Manchin July 2013- August 2013

- Worked with the Senator's Defense team researching issues pertaining to his work as a member of the Committee On Armed Services. This included researching and summarizing legislation, profiling foreign leaders and diplomats and their countries of origin, and writing a daily memorandum on the major international events of the previous day.

## Education

Reed College - B.A., Philosophy August 2010 - May 2014

Recommended as a tutor for academic achievement in Logic. Reporter for The Quest, a student newspaper. Studied abroad at Paris IV-Sorbonne, focusing on philosophy, media theory, and Islamic culture. Performed in multiple student theatrical productions. Coordinated events for Beer Nation, the group in charge of the school's liquor license.

Epicodus April 2015 - August 2015

A four-month intensive programming course focusing on web development with Ruby on Rails and JavaScript.
